

“The Town of East Windsor proposes to file an Application for Federal Financial Assistance with the USDA, Rural Development. This application for financial assistance will be for funding under the Rural Utilities Service, Part 1780, Water and Waste Loans and Grants (CFDA 10.760) and is anticipated to be submitted in February 2012. The project to be funded is Phase 3 of the North Road Sanitary Sewer Extension. This project will involve the construction of sewer piping from the end of Phase 2 near the intersection of Wells Road east along portions of North Road and Melrose Road and south along portions of Wells Road and Rolocut Road. The project is anticipated to cost \$2,300,000.00. Any comments regarding this application should be submitted to the Town of East Windsor Water Pollution Control Authority, 192 South Water Street, East Windsor, Connecticut 06088 within fifteen days of this publication.”
